## *100ccc Insanity Gold*

*Coast to Coast to Coast in less than 100 Hours!*

This is to Certify that in September of 2017, Dan Simmonds rode a Yamaha Super Tenere from the Atlantic Ocean at New York City, New York, across the Appalachian Mountains, the Great Plains, the Desert West and finally crossing the Sierra Nevada Mountain Range before reaching the Pacific Ocean at San Francisco, California where he turned around (this is the totally insane part) and rode back to the Atlantic Ocean at New York City in less than 100 hours while participating in the Iron Butt Association's 100ccc Insanity Gold!

*This 5,812-mile test was conducted under very strict guidelines set forth by the Iron Butt Association. Only a handful of riders from around the world have managed to solve the equation of time and distance to earn the 100ccc Insanity Gold certification.*
