World's Toughest Motorcycle Riders

This is to Certify that in March of 2019, Dan Simmonds rode a 2009 BMW R1200GSA from the Timor Sea at Darwin, Northern Territory 2,725 kilometres across the deserts of central Australia via Alice Springs to the Spencer Gulf at Port Augusta, South Australia in less than twenty-four hours! Mr. Simmonds' stellar performance in smashing the twenty-four hour barrier during this difficult ride earned him entry into the Iron Butt Association's Australia CentreLine 24 Gold Medal record book.

The Australia CentreLine 24 Gold was conducted under very strict guidelines set forth by the Iron Butt Association. Only a handful of riders have managed solve the equation of time, distance and endurance to complete the Australia CentreLine 24 Gold!
