

This is to Certify that on August 20, 2011, Daniel Simmonds rode a 2009 BMW R1200GS a total of 1,162 grueling miles in less than twenty-four hours starting in Somerset, Pennsylvania continuing on to Staunton, Virginia and Knoxville, Tennessee before returning to Somerset while participating in the SaddleSore 1000.

The SaddleSore 1000 was conducted under very strict guidelines set forth by the Iron Butt Association. Only a handful of riders from around the world have managed to solve the challenges such a grueling ride involves.
